

Fort Worth Zoo Museum of Living Art Educator Workshop Scholarship

Explore the *Museum of Living Art!* This professional development workshop guides you through the beauty and mystery of reptiles and amphibians in Fort Worth Zoo's newest exhibit. Learn about the basic life cycles, behavior and environments of these animals. More importantly, the workshop will delve into the myths and mysteries of these long misunderstood creatures, providing your students with the tools to see beyond the scales and slithers. Find out about ongoing conservation challenges and success stories in relation to geography, culture and history. Discover how conservation efforts are important for the future of these amazing creatures and how the lives of people are intertwined with the wild world of amphibians and reptiles. Through this workshop you will gain an understanding into a unique perspective that will transcend a true spirit of exploration into your classroom.

This three day, professional development workshop will be held June 22-24, 2010, 9 a.m. to 4 p.m. Participants receive a combined total of 18 hours of CPE, TEEAC and Gifted and Talented Credit for the completion of the three day workshop.

Also included is a resource kit, curriculum guide, daily entrance into the Zoo, Zoo tours and presentations, a light breakfast, lunch, afternoon refreshments and door prizes.

This workshop is open to Fort Worth ISD Title I educators, grades PreK-8th grade.

Please note that participants will be responsible for own travel and hotel accommodations.
